An announcement for Post-Doc position

Position of Post-Doc in the OPUS project entitled "**Polar order built into soft-matter phases with 3D structure**" financed by NCN (2021/43/B/ST5/00240) is open for application. Project leader: dr. hab. Damian Pociecha, prof. ucz.

The post-doc (adiunkt w grupie pracowników badawczych) will run a research in exact and natural sciences, in discipline of chemistry. Available positions: 1

We are looking for motivated candidates:

- with a PhD degree in chemistry or related sciences (required in the first day of work at the latest)
- good knowledge of English
- experience in organic synthesis of mesogenic materials
- basic experience in physic-chemical studies of soft matter
- teamwork skills

The candidate must meet the requirements of art. 113 of the Act - Law on Higher Education and Science dated July 20, 2018 (Polish Journal of Laws of 2023, no. 742).

Main duties:

- running scientific research: designing and obtaining new mesogenic materials, basic characterization of their liquid-crystalline properties
- keeping scientific documentation,
- writing scientific manuscripts
- guiding/supervising students within the project

We offer:

a temporary contract with the University of Warsaw (full time employment contract) from 01.10.2023 till 30.09.2024 (with possibility of extension). Salary: PLN 10,000.00 gross with the employer's costs (so-called "gross gross").

Required documents:

- Curriculum Vitae (CV),
- list of candidate's scientific publications,
- copy of PhD diploma,
- contact details of 2 persons who can recommend the candidate
- information on the processing of personal data (the template available at: <http://www.chem.uw.edu.pl/oferty-pracy/>),
- declaration of reading and acceptance of the rules for conducting competitions at the University of Warsaw (a template available at: <http://www.chem.uw.edu.pl/oferty-pracy/>).

Please submit the documents **no later than 20.07.2023** to: **pociu@chem.uw.edu.pl** (PDF is the preferred format).

The results of the competition will be given by e-mail till 15.09.2023

The competition is the first stage of the employment procedure as an academic teacher, and its positive outcome is the basis for further proceedings.
